

## *Update from the Hall*

With summer holidays about to start and another heatwave making it feel like we're back in 1976, the committee have been looking ahead to the autumn season.

We've got plenty planned, including our monthly coffee morning and pub nights, plus a race night, an autumn quiz and our usual start to the festive season.

The committee has shrunk recently, so it would be great to have a few more volunteers join us and help run the events. If you're interested please get in touch via the email below or drop a comment on the village FB page

If you're not on our email list and would like to be added please drop us a line at [blackthornvillagehall@gmail.com](mailto:blackthornvillagehall@gmail.com) or join the FaceBook page by searching for Blackthorn Village - it's a closed group restricted to those who live in and around Blackthorn
